An Open Letter to International students at UMP

Established in April 2023 as a part of UMP Ho Chi Minh Communist Youth Union (UMP HCYU), we represent UMP students to participating in global events, as well as integrating foreign students at UMP into our local student community. We would like to make sure that you will have a splendid and memorable period of time when studying at UMP, by introducing our university's learning, volunteer and cultural activities for you to take part in as extracurricular programs.

This summer, UMP HCYU and Viet Nam Union of Students of UMP organize "Chien Dich Mua He Xanh 2023" (means Green Summer Campaign 2023) – which is one of the largest annually volunteer events for the youth and university students all around Viet Nam.

At UMP campaign, we are divided into "fronts" and "formations", make trips to districts in HCM city and other provinces and do meaningful things to improve the local poverty's living, such as free healthcare examination and medicine, healthcare education or teaching their children. Thousand of students join in this amazing activity every year.

Considering this is such a great opportunity for you to make your summer in Vietnam; it is our pleasure to invite you to be one of our campaigner this year. Brochure of detailed programs will be published soon for you to choose your suitable front. Hopefully, through this activity, you could discover Vietnamese culture, social and people, having wonderful and exciting moments, besides intensively difficult period of studying.

We wish you health, success, happiness and enjoying your unforgettable summer at UMP.

Sincerely,
